The Susie Reizod Foundation
Attn: Cynthia E. Dozier, President
P.O. Box 816
New Paltz, NY 12561

Dear Ms. Dozier,

I am writing to congratulate you on the wonderful work of The Susie Reizod Foundation. Giving a child a new pair shoes when they have little to call their own is a wonderful way to let some of the most disadvantaged of the world's poor communities feel that someone does care for them.

The impact of your Foundation's mission and work is so immediate. The photographs of the lucky recipients say it all, the smiles on their faces is something to treasure, and something to remind those who have given how their efforts do have positive outcomes.

I am grateful that South Africa has been a beneficiary of your Foundation in past. Your projects have reached various developing nations as well as communities in need in your country. I commend you for what you are doing. I hope you will continue your work of enabling other fortunate children to have such a wonderful personal experience, in developing nations as well as communities in need in your own country.

May God bless you richly,

Archbishop Desmond Tutu
