Dear Dr. Dozier:

I write to congratulate the Susie Reizod Foundation on your recent receipt of a Dyson Foundation grant award of $3,500. I am keenly aware of the benefits your organization provides to our communities and the positive impact that funding brings, particularly during these difficult times.

The Dyson Foundation Grant Program has, for years, offered assistance to non-profit establishments to aid in their endeavors of good-will. As the necessity of your services increased and evolved in 2020 due to the pandemic, both your operation and the Dyson Foundation stepped up to meet the needs of their fellow New Yorkers.

We are indeed fortunate to have organizations like yours in our midst. Please feel free to contact me anytime that I might be of assistance.

Sincerely,

Kevin A. Cahill
